

CAMP DIRECTOR: In the same intense style that has allowed Ron Roach to develop successful athletes and athletic programs, his basketball camps rank among the state's finest as well. Each and every year as the various areas of the state from which he annually draws, campers have the opportunity to choose between: Combination Camp (Fundamentals plus Team Play) or Team Play only.

Personal care and attention are the essentials that allow his camps to be successful. Coach Roach takes great pride in personally overseeing every aspect of the camp's objective.

Entering the 42nd year as the camp director of the Number-One Girls and Boys Basketball Camps, due to interest and numerous requests, Coach Roach expanded, in 2010, to offer a Volleyball camp.

CAMP STAFF: Once again Ron Roach has assembled one of the state's best camp staffs for his 2017 summer camps. The diversity of backgrounds found among the counselors, instructors, and guest lecturers combine to form multiple years of solid camp teaching experience.
